To The Ministère de l'Immigration, de la Francisation et de l'Intégration du Québec,

LETTER OF EXPLANATION FOR WRONG POSITION OF NAMES USED

This letter is to make the ministry aware of my other names omitted and the wrong positioning of my father's last name during my application. During my online application for temporary selection for studies, the website only asked for my last name and first name, not my other name. I'd like for my other names to be known and put on my file. My full name on my passport is **KWAKU SARFO AKYENA**, with my first name being '**KWAKU**', my other name being '**SARFO**' and my last name being '**AKYENA**'.

However, I made a mistake with the input of my father's name on the application for temporary selection for studies I wrote as First name '**GEORGE**' and his last name '**AKYENA-BRANTUO**' please do kindly correct the first name to be '**GEORGE**' other names '**KWAME AKYENA**' and last name '**BRANTUO**'.

Yours Sincerely,

KWAKU SARFO AKYENA
